The Wisconsin Nurseries

W. J. MOYLE & SONS

30th Annual

Catalogue

Jonathan Apples

Fruit and Shade Trees
Small Fruits - Roses - Vines
Shrubs, Peonies and Plants

Union Grove, Wisconsin

Lilac

Snowberry

A very hardy shrub and pretty all the year around. Very dependable and should be more generally planted.

25c each; \$1.25 per 10.

Philadelphus Virginalis

Here we have absolute perfection in the double Mock Orange. It certainly delights the eye and thrills the senses with its exotic perfume.

25c each; \$2.25 per 10.

Belle de Nancy Lilac

This is the most beautiful pink lilac we grow in our nursery. Very double, sweet scented, and a vigorous grower. Extremely hardy and a great bloomer. Happy are you if it grows in your garden. Nice bushes. 40c each; \$3.75 per 10.

Virginalis

Beauty Bush

New unique and pretty. Everybody is planting it.

25c each;

\$2.25 per 10

Plant Shrubs

They will give your home grounds permanent beauty.

JOHN

W. J. MOYLE & SONS

KIND FRIENDS:

Spring's Greeting: From the Moyles:

For thirty years we have been happily engaged in growing and selling a general line of nursery stock to supply the demand of our many customers throughout the nation.

Times may be good or times may be hard, still every spring there comes that urge to plant something; fruit trees, small fruits, trees, shrubs or flowers. This is as natural as breathing.

"Hope springs eternal in the heart of man."

And as Cowper aptly quotes it:

*"To study culture, and with artful toil
To meliorate and tame the stubborn soil;
To give dissimilar yet fruitful lands
The grain, the herb, the plant that each demands.*

* * * * *

*These: these are the arts pursued without a crime
That leave no stain upon the wings of time."*

MACK

Conditions and Terms

Order at Once. Make sure of getting what you want by ordering early.

Terms Cash or C. O. D. The prices given in this catalogue are for quantities named, and cancel all previous quotations.

Shipping. We make no charge for packing, boxing, etc., and all stock is delivered to forwarders in good order, properly labeled and correctly packed. Freight and express charges are in all cases paid by the purchaser.

We pay the postage on Gooseberries, currants, raspberries, blackberries, strawberries, grapes, shrubs, roses, peonies, and vines, in limited quantities as they can be cheaply sent by parcel post.

Light apple trees can also be sent by parcel post, but large apples, pears, cherries, plums and shade trees should in all cases be shipped by freight or express.

Apples

	Each	10	100
4 to 6 feet	\$0.25	\$2.35	\$22.00
Those starred (*) are the hardiest kinds.			

Summer Apples

- ***Duchess of Oldenburg**—Good size, yellow, streaked, red, juicy, rich, sub-acid, productive. Valuable for market.
- Golden Sweet**—Large, pale, yellow, tender, sweet. Should be in every orchard.
- Lowland Raspberry**—Russian origin; clear white, shaded crimson, most beautiful apple; flesh white, hardy, long lived. Ideal for home use. Fruit of quality.
- ***Red Astrachan**—Large, beautiful deep crimson. Valuable for market.
- ***Tetofsky**—Medium, yellow, striped red, fine for eating. The best early summer apple.
- ***Yellow Transparent**—Earliest and best; white, tender, juicy, sprightly, sub-acid.
- Benoni**—Early red, delicious quality.

Autumn Apples

- Alexander**—A large, beautiful red apple.
- Autumn Strawberry**—Tender, juicy, productive, fine for home orchard.
- ***Charlamoff**—Hardy, thrifty, spreading grower, early and regular bearer. Fruit similar to Duchess; better quality, hangs to tree better. A choice dessert apple.
- Lowell, or Greasy Pippin**—Large, golden yellow with waxy skin; delicious quality. The finest eating apple.
- St. Lawrence, or Fall Stripe**—Large, streaked red and greenish yellow; fine quality. Tree hardy.
- ***Wealthy**—Originated in Minnesota. Hardy. Vigorous and very productive.
- ***Wolf River**—Large, handsome; yellow shaded and striped red, juicy, pleasant, spicy flavor, very hardy. Our biggest apple.
- Fall Orange**—An old time favorite in every orchard.

Apples For Everybody

Winter Apples

- Ben Davis**—Large, handsome, striped, valuable.
Cortland—New, highly recommended from New York.
Delicious—Good size, fine quality. Tree good grower and hardy.
Fameuse—(Snow)—Medium, deep crimson, flesh white, of best quality.
Gano—An improved Ben Davis, nearly covered with deep, dark red.
Grimes' Golden—Good size, yellow, of highest quality, very productive.
Golden Russet—Medium, dull russet, quality the best. Tree enormous and early bearer. Valuable for the market.
Hubbardston—Large reddish russet, crisp, juicy.
Jonathan—Medium red, extra quality.
McIntosh—Medium size, dark red, good quality, juicy, sub-acid.
***Northwestern Greening**—Hardy, yellow, rich, of good size, extra long keeper.
Northern Spy—Large, striped, mild, sub-acid and tender, with a rich, delicious flavor.
Pewaukee—A hardy winter apple, good grower and keeper.
Salome—Long keeper, annual bearer, medium and uniform size; good quality.
Seek-No-Further—(Westfield)—Medium to large, round, striped with dull red, russet dots; fine grain, tender, rich and excellent.
Stayman's Winesap—A very popular winter apple. Largely planted.
Tallman Sweet—Medium yellow, rich. Good keeper.
Windsor—Large, oblate, slightly conical, light greenish yellow covered with marbled dull red and russet; fine grained, spicy, sub-acid. Very good.
Winter Banana—A beautiful golden yellow, crimson checked apple with a decided banana flavor. Tree hardy.
- We can also supply Yellow Bellflower, Pound Sweet, Bailey Sweet, Maiden's Blush, Perry Russett, Willow Twig and Wagner.

Crab Apples

	Each	10	100
4 to 6 feet.....	\$0.25	\$2.35	\$22.00
Perfectly hardy, succeed everywhere, early and annual bearers.			
* Florence —One of the best crabs to plant. It is very hardy and an early bearer. Fruit is large, red and of good quality. Originated in Minnesota. Tree is very hardy.			
Hyslop —Large, deep, crimson; one of the most beautiful; very popular.			
Transcendent —Immensely productive, bright red and yellow; one of the most popular.			
Whitney —One of the largest, glossy green, splashed carmine, firm, juicy, pleasant, great bearer. Fine to eat out of the hand.			

Pears

STANDARD				DWARF			
	Each	10	100		Each	10	100
4 to 6 feet	\$0.35	\$3.25	\$30.00	2 to 3 feet.....	\$0.30	\$2.75	\$25.00

Dwarfs, Howell, Seckel, Flemish Beauty, Anjou, Bartlett.

Anjou—Large, buttery, melting, rich vinous. The best late fall and early winter variety.

Bartlett—Large, buttery, juicy, high flavored, great bearer; very popular.

Clapp's Favorite—Very large, yellow and red, with russet specks, melting rich.

Flemish Beauty—Large, juicy, rich; one of the hardiest and most popular.

Howell—Large, yellow, with red cheek, rich, sweet, melting, early bearer, productive.

Keiffer—Its large size, handsome appearance and remarkable keeping and shipping qualities make it exceedingly profitable for market. Very hardy.

Seckel—Small, skin rich, yellowish brown, when fully ripe, with deep brownish red cheek; flesh very fine grained, sweet, exceedingly juicy, melting, buttery, one of the richest flavored pears known.

Sheldon—Medium size; yellow, with a richly shaded cheek; flesh a little coarse, melting, juicy, with a very brisk, vinous, highly perfumed flavor; of first quality. Tree vigorous, erect and handsome, hardy and productive.

Russian Apricots

35c each—\$3.25 per 10

These are quite distinct from the European varieties, hardier and will produce fruit when other apricots fail. Recommended where peaches cannot be grown. They are early bearers and productive.

Superb—A hardy seedling from Kansas. The best flavored, most productive, hardy apricot yet produced. Golden yellow.

Montmorency Cherries

Cherries

Probably no trees in the North are more prolific and the fruit is always in great demand, usually at a high price. Every home-garden should contain at least five or six cherry trees.

	Each	10	100
3 to 4 feet.....	\$0.35	\$3.25	\$30.00

Dikeman—From Northern Michigan. The original tree has attained large size and is still producing immense crops; fruit large, black, firm, of excellent quality; fine keeper and shipper; the latest of all sweet cherries.

Dyehouse—A very early and sure bearer; ripens a week before Early Richmond.

***Early Richmond**—An early variety of extreme hardiness, bearing large annual crops of medium sized fruit, light to dark red, very juicy.

English Morello—Large, dark red, juicy, tree somewhat dwarf in growth.

***Montmorency**—Large, bright crimson, very juicy, strong, upright grower and one of the best late varieties.

***Napoleon**—Large, pale yellow or red; firm, juicy, sweet and productive.

June Berry

Success June Berries—One of our most desirable fruits for the garden. Very hardy and productive. Much like blue berries. 25c each; \$2.00 per 10.

June Berries

Don't Forget!

To order the Cherry Trees you plan to include in your Spring planting order.

Monitor Plums

The Wonderful Minnesota Plums

Fine Trees

	Each	10	100
4 to 5 feet.....	\$0.35	\$3.25	\$30.00

We are glad we can offer you this season, these remarkable creations of the Minnesota Fruit Breeding Farm. Produced by crossing the Native Plums with the Japanese variety.

Monitor—Of largest size and most delicious quality; annual bearer and perfectly hardy on tree.

Underwood—The earliest of all these beautiful plums, ripens in early August. Early and abundant bearer of large fruit; the equal of the best California plums.

Tonka—Very productive; large, dark, red, firm, excellent quality; small pit, nearly free-stone. One of the best.

St. Anthony—A Sand Cherry Hybrid similar to Sapa but more vigorous; very productive. Fruit of good size, purple flesh; excellent for jelly or canning.

Nicollet Cherry—Nearest to the true sour cherry and for pies or sauce hard to distinguish. Pit small and free; juicy; dull red color. Ripens middle of August. Rather dwarf grower. This new hybrid is very prolific and will please you for a culinary fruit.

Radisson—New, early, good quality; excellent market sort.

European Plums

German Prune—Large, dark purple, good.

Lombard—Medium, violet, red, juicy, good, hardy and productive, the leading market variety.

Reine Claude—(Bavey's Green Gage)—Very large, greenish, fine flavor.

Peaches

The Peach is one of our most delicious fruits. By many the tree is considered tender, and the crop uncertain in this latitude, but it is remarkable how many people raise peaches successfully by selecting hardy varieties and by planting in sheltered locations.

The list here offered contains the very best for hardiness and quality. Plant in rich soil.

	Each	10	100
4 to 5 feet.....	\$0.25	\$2.25	\$20.00

Champion—A large, handsome, early variety, creamy white with red cheek; sweet, rich and juicy. Hardy and productive. August.

Crawford's Early—A magnificent, large yellow peach of good quality. Early in September.

Crawford's Late—A superb, large, yellow peach. One of the best. Last of September.

Elberta—Large, yellow with red cheek; flesh yellow, firm, juicy. Exceedingly prolific, sure bearer and hardy. The leading market variety. Follows Early Crawford.

Rochester—One of the hardiest, abundant bearer; medium size, bright yellow, fine quality. Middle of August.

Chautauqua Gooseberries

Gooseberries

25c each, \$2.25 for 10, \$20.00 per 100

Carrie—Is extremely vigorous and healthy in foliage, and promises good. Of fine quality and the most productive of all. The berries hang in clusters like grapes on the branches.

Chautauqua—One of the most prolific large gooseberries grown. Bush strong and vigorous, berries light yellow, free from spines and hair; veined and transparent; sweet and delicious.

Downing—Large size, oval, greenish white; plant very vigorous and hardy, with stiff, strong shoots; foliage heavy, covering the fruit from the sun, and resisting mildew; bears most abundantly and is profitable for market and home use.

Houghton's Seeding—A vigorous American sort; very productive; free from mildew. Fruit medium, roundish, smooth, of a pale red color, tender, sweet and of delicious flavor.

Fay's Prolific

White Grape

Currants

Prices	Each	10	100
	\$0.20	\$1.75	\$16.00

Fay's Prolific—The leading market variety. Extra large stems and berries, uniform in size, easily picked, exceedingly productive.

Perfection—A grand currant, large berry of finest quality; two weeks later in ripening than Fay.

White Grape—Very large, yellowish white; sweet or very mild acid; excellent quality and valuable for the table. Productive.

Strawberries

Burrill and Dunlap. Per 10, 25c; per 100, \$1.00; per 1,000, \$6.00.

Dr. Burrill—An improved Dunlap; very fine.

Senator Dunlap—Medium to large, conical, dark, red, firm and of first quality, midseason. A vigorous grower and usually makes too many plants for best results, unless growth is restricted. It is as productive as Warfield, berries are better colored and a third larger.

Everbearing

Prices, per 10, 25c; per 100, \$1.50; per 1000, \$12.00.

Champion—Best of all in our estimation.

Progressive—All that the name implies; everybody should grow them.

Mastodon—New; plant a strong grower with berries twice the size of Progressive. Per 10, 30c; per 100, \$2.00; per 1000, \$15.00.

Kansas Raspberries

Raspberries

Prices	Each	10	100
.....	\$0.10	\$0.75	\$6.00

Kansas—Jet black, firm and delicious, as large or larger than Gregg. The hardiest black cap known, successfully withstanding the winters.

Plum Farmer—One of the most profitable market varieties as it ripens the crop in a very short time. Berries are large size, firm, thick meated, black with a bloom similar to the Gregg. Very attractive when ready for market. Ripens just before Cumberland.

Columbian—A vigorous grower; canes often ten to fifteen feet in length and over an inch in diameter. Never suckers from the roots. Very hardy, enduring 28 degrees below zero. Fruit very large, dark red, bordering on purple; adheres firmly; rich, springtly flavor.

Cuthbert—(Queen of the Market)—Large conical, deep, rich crimson; firm, of excellent quality. A vigorous grower, entirely hardy, and immensely productive.

Golden Queen—Bright golden yellow. The flavor is of the highest quality, pronounced by some superior to Brinskle's Orange. In size equal to Cuthbert; immensely productive; a very strong grower and hardy enough even for extreme northern latitudes.

St. Regis Everbearing Raspberry—This wonderful raspberry marks a new era with this popular fruit. We have a large planting of St. Regis and during September and October we picked crates of the most delicious berries, in fact there were berries on the canes all summer long.

Latham—This is a wonderful red raspberry. The past season on our grounds it beat all the other varieties in yield and the berries were, many of them, one inch in diameter.

Chief—This new red raspberry should be planted by all.

Blackberries

Prices	Each	10	100
.....	\$0.10	\$0.75	\$6.00

Snyder—Extremely hardy; enormously productive; medium size; no hard sour core.

Eldorado—On account of the peculiar thick and elastic composition of the leaf of the Eldorado it stands in a class by itself. Rust or scalding sun does not affect them. If you have been disappointed in growing blackberries, take our advice and try the Eldorado. We have the true blue stock.

Ancient Briton—One of the best. This variety did the best of any on our grounds the past summer, yielding enormous quantities of delicious berries.

Moore's Early

Worden

Grapes

	Each	10	100
One year, first class.....	\$0.15	\$1.25	\$10.00

Brighton—Bunch large, well formed; berries above medium to large; round; excellent flavor and quality; one of the earliest in ripening.

Campbell's Early—The berries are large, often an inch or more in diameter, glossy black with a purple bloom, sweet and juicy, with few seeds. They ripen from the fifteenth to the last of August. As a keeper and shipper this variety is unequalled by any other American grape while as a dessert grape it is delicious.

Concord—The well known standard variety, succeeds wherever grapes will grow.

Delaware—Bunches small, compact, shouldered; berries rather small, round, skin thin, light red; flesh very juicy; sweet, spicy and delicious.

Diamond—The leading early white grape, ripening before Moore's Early. White, with rich yellow tinge; juicy, few seeds, almost free from pulp; excellent quality; above medium size, adheres firmly to the stem. Fine variety for both market and home garden.

Lindley—(Roger No. 9)—Berries medium to large, red; flesh tender, sweet and aromatic; ripens early.

Moore's Early—Bunch large, berry large, round, with heavy bloom, vine exceedingly hardy. Its earliness makes it desirable for an early market. Its hardiness particularly adapts it to Canada and the northern portions of the United States.

Niagara—Occupies the same position among white varieties as Concord among the black; the leading profitable market sort. Bunch and berries large, greenish white changing to pale yellow when fully ripe. Skin thin but tough; quality much like Concord.

Pocklington—Bush and berries large, when fully ripe a light golden yellow; juicy, tender, sweet and with little pulp. Vine thoroughly hardy, strong grower, free from mildew; productive. One of the most satisfactory white varieties.

Worden—A splendid grape of Concord type, larger, better quality and earlier. Vine vigorous; hardy and productive.

Sugar Maple

Frame the beauty of your home with well planted trees.

Martha Washington Asparagus

**Frau Karl Druschki****J. B. Clark**

Hardy Roses

Good strong field-grown bushes that will bloom nicely the first summer.
 Prices, except as noted.....Each, 30c; per 10, \$2.75; per 100, \$25.00

Frau Karl Druschki—Very large, perfect form and snow white; a vigorous grower and a free bloomer.

General Jacqueminot—One of the most popular of the red roses; brilliant crimson, large and very effective; very fragrant and one of the hardiest.

J. B. Clark—This splendid new Rose is placed by some cataloguers among the Hybrid Teas; but it is perfectly hardy, unusually large and expresses in every way the characteristics of the Remontant type. It is robust in growth, with clean, heavy foliage. Flowers are large and superbly constructed; deep scarlet overlaid with crimson.

**Paul Neyron**

Magna Charta—Extra large and full, bright rosy pink; a profuse bloomer and very hardy.

Paul Neyron—Said to be the largest rose in cultivation; bright, clear pink; very fragrant, hardy and a strong grower.

Hardy Yellow Roses

Persian Yellow—Hardy, great bloomer and delightful colorEach, 30c

Austrian Copper—Hardy; a brilliant orange-yellow rose, gorgeousEach, 30c

Harrison's Yellow—An old timer of great hardiness and dependabilityEach, 30c

Extra Hardy Rugosa Roses

Prices, except as noted.....Each, 30c; \$2.75 per 10

Alba—Large and beautiful single white flowers about 3 inches across. Bright red seed pods or hips follow blossoms.

Belle Poitevine—Clusters of large, semi-double, open blooms of very beautiful pink. Blooms moderately but continuously all Summer.

***Blanc Double de Coubert**—Pure white, very large semi-double flowers; plants bushy and vigorous.

Conrad F. Meyer—Very large, double, showy, clear silvery rose flowers, strongly fragrant.

***F. J. Grootendorst**—Small red flowers in clusters; strong grower, bushy, with leathery disease-resisting foliage; abundant bloomer until frost. New and beautiful. Most wonderful rose introduced in many years.

Hansa—Large, full, double, red blooms. Profuse bloomer.

Roseaie de l'Hay—Large, double crimson-red blooms shading to rosy-magenta and of a delightful fragrance.

Rubra—Large, beautiful, single flowers, 2½ to 3½ inches across, of clear pink to bright crimson. Bloom continuously from June to September.

Conrad F. Meyer

Hardy Climbing and Rambling Roses

Red Dorothy

Prices, except as noted.....

.....Each, 25c; per 10, \$2.25; per 100, \$20.00

Blue Rambler (Veilchenblau)—Violet blue flowers in loose clusters; a rampant grower; something different; hardy.

Crimson Rambler—Crimson, semi-double; vigorous plant; good pillar and porch climber.

Climbing American Beauty—Rich carmine, moderately fragrant, large blooms on separate stems, glossy green foliage, heavy grower, very hardy.

Dorothy Perkins—Shell pink; one of America's most noted roses; slightly fragrant, borne in great profusion; lasting qualities; blooms in clusters. Vigorous and excellent climber; bright glossy green foliage.

Excelsa Red Dorothy—Intense crimson; immense clusters; superior to Crimson Rambler in color and foliage; hardy and vigorous.

Paul's Scarlet—A very popular red climber. Plant it and rejoice.

White Dorothy Perkins—Pure white sport from Dorothy Perkins, identical in foliage and habit.

Climbing Vines

Each, 20c; per 10, \$1.75; per 100, \$16.00

Ampelopsis Engelmanni (Engelmann's Five-Leaved Virginia Creeper)—Hardy climbing vine, five-leaved, clings to either wood, stone or brickwork.

Ampelopsis Veitchi (Boston Ivy)—Glossy green foliage that turns to crimson in the Fall. Clings to brick or stone.

Aristolochia Sipho (Dutchman's Pipe)—Although the brownish, pipe-shaped flowers are interesting, the immense heart-shaped leaves are the important feature, furnishing as they do the most complete screening leafage of any cultivated trellis vine.

Bignonia Radicans (Trumpet Ivy)—Flowers trumpet-shaped, deep crimson.

Clematis Jackmani

CLEMATIS

Strong Plants, Each 35c; per 10, \$3.25.

Clematis Coccinea—Pretty red bell shaped flowers.

Clematis Crispa—Flowers blue, bell shaped hardy and popular.

Clematis Henryi (Large-Flowered Creamy White Clematis)—Large, creamy white flowers.

Clematis Jackmani (Large-Flowered Violet-Purple Clematis)—Large, velvety purple flowers.

Clematis Mme. Edouard Andre (Large-Flowered Red Clematis)—Large, violet-red flowers.

Clematis Ramona (Large-Flowered Blue Clematis)—Large sky-blue flowers.

Clematis Paniculata (Sweet Autumn Clematis)—A strong growing variety with small, star-like white flowers; delicately scented.

Celastrus Scandens (Bittersweet)—Has pale yellow flowers, followed by pretty orange colored berries and scarlet arils.

Golden-Leaved Honeysuckle—Flowers yellow and fragrant. Fine for vases and window boxes.

Lonicera (Japan Honeysuckle)—Yellow flowered Climbing Honeysuckle. Yellow flowers in pairs; foliage keeps until late in Autumn; very easy grower.

Lonicera, Sempervirens (Scarlet Trumpet Honeysuckle)—A profusion of scarlet trumpet shaped flowers are born in clusters during the entire season.

Lycium Chinense (Chinese Matrimony Vine)—Really a trailing shrub. The purple flowers are followed by attractive, brilliant crimson fruit.

Wisteria Frutescens (American Purple Wisteria)—A very rapid growing vine, with small, pale-blue, fragrant flowers.

Clematis Paniculata

Hardy Ornamental Shrubs

- | | | | |
|------------------------------------------------|--------|--------|---------|
| | Each | 10 | 100 |
| All good bushes from 1 to 2½ feet, prices..... | \$0.20 | \$1.80 | \$16.00 |
- Amoor River North Privet**—Very hardy, makes a fine hedge. **Except as noted.** 15c each; \$1.20 per 10; \$10.00 per 100.
- Almond, flowering**—A bush covered with beautiful double pink blossoms early in the spring. Like little roses.
- Barberry Thunbergi** (Japan Barberry)—A fine well-known hedging shrub with bright red berries. The leaves turn red in the fall. 15c each; \$1.20 per 10; \$10.00 per 100.
- Beauty Bush** (Kolkwitzia)—A recently introduced shrub from China. Entirely covered in spring with bright pink bell shape flowers. Mailing size bushes. 30c.
- Bechtel's Double-flowering Crab**—A small tree covered with double sweet-scented pink blossoms. The double Wild Crab, 1½ inches across. 50c.
- Caragana** (Siberian Pea Tree)—A pretty shrub with feathery light green foliage and pretty pea-shaped yellow blossoms. Excellent for a background and also useful for hedging where privet will not thrive.
- Coral Berry**—A very hardy shrub, covered with red berries in the fall, which hang on almost all winter. Unequaled for planting in the shade or on the north side of buildings.
- Cottoneaster**—A beautiful hardy shrub with glossy green leaves and covered with black berries in the fall. Fine for hedging.
- Deutzia Gracilis**—A vigorous shrub, covered with feathery panicles of double white flowers in June.
- Dogwood, Red** (Cornus)—A fast growing shrub covered with glossy green leaves, clusters of white flowers in the summer and in the winter is conspicuous because of its bright red bark. Fine for background for shorter shrubs.
- Dogwood, Yellow**—Same as above, but with bright yellow bark. The two varieties make an excellent contrast.
- Double Flowering Plum**—A large shrub that is completely covered with bright pink blossoms about 1½ inches across. One of our most beautiful shrubs. 2 to 3 ft. 50c.
- Flowering Currant**—A medium sized shrub having an abundance of spicy scented yellow blossoms in June.
- Golden Bell**—The earliest blossoming shrub. Is covered in early spring with bright yellow blossoms.
- Golden Elder**—A rapid growing rather tall shrub with bright yellow leaves and white flowers.
- High Bush Cranberry**—A glossy leaved shrub similar to the snowball only the panicles of blossom are flat, and the bush is covered with bright red fruit which it carries well into the winter.
- Hardy Hydrangea** (P. G.)—Well known shrub with immense solid panicles of white flowers which turn to pink in late fall.
- Hydrangea Tree**—Same as above, but trained to tree form. 3 to 4 ft. 50c.
- Hydrangea Arborescens** (Hills of Snow)—This bush is more dwarf than Hydrangea P. G. and has its large creamy white clusters of flowers a month earlier. A beautiful hardy shrub that deserves a place in every planting.
- Japan Quince**—A medium sized shrub with glossy dark green foliage and showing a profusion of bright red blossoms in May. Fine as specimen shrub on the lawn.
- Lilac** (Common)—Its fragrant single purple blossoms have a charm all their own.
- Lilac, Lanlark**—A beautiful double porcelain-blue variety. 30c.
- Lilac, President Loubert**—A large flowered double sky blue sort. 30c.
- Lilac, Spaith**—Enormous clusters of large purplish-red blossoms. 30c.
- Lilac, White**—Pure waxy white.
- Lilac, Double White**—A beautiful sweet scented large flowered white. 30c.
- Purple Leaf Plum** (Newport)—A hardy ornamental shrub of great value. Should be in every collection of shrubbery. 35c.
- Paul's Scarlet Thorn**—A hawthorn that has double bright red blossoms. Very pretty. 3 to 4 ft. 75c.

Hydrangea (P.G.)

HARDY ORNAMENTAL SHRUBS—Continued.

- Russian Olive**—A tall ornamental shrub having silvery white leaves and fruit resembling small olives. Fine for planting behind Spireas, or such shrubs.
- Snowball**—Its round balls of bloom and glossy green foliage make this a most desirable shrub. It generally blossoms about Memorial Day.
- Snowberry (Waxberry)**—A pretty shrub with pink blossoms followed by large white berries in the fall. Excellent for planting in shade, on the north side of buildings, or in an exposed location.
- Spirea, Golden (Physocarpus)**—A fast growing rather tall shrub having bright yellow leaves and white blossoms. An excellent effect can be obtained by planting this behind shorter green-leaved shrubs.
- Spirea Van Houtti**—The ever popular Bridal Wreath, with its abundance of white blossoms in June. Nice bushes.
- Spirea Froebeli**—A beautiful spirea with large flat clusters of pink blossoms. It reaches a height of about 4 ft.
- Spirea Anthony Waterer**—A dwarf type with large flat panicles of rose red blossoms. Fine for boarder planting, as it hardly ever becomes taller than 2 ft.
- Spirea Arguta**—The true garland spirea. Looks like Bridal Wreath, but is two weeks earlier to bloom and has finer foliage.
- Spirea Prunifolia**—The double white bridal wreath.
- Staghorn Sumach**—A tall hardy shrub with long fern-like leaves and clusters of bright red berries.
- Strawberry Tree**—A tall green-barked shrub with bright red berries in the fall, that resemble bitter-sweet.
- Syringa Coronarius (Mock Orange)**—A tall bush covered in June with white sweet scented flowers resembling orange blossoms.
- Syringa Flora Plena**—Double white form of Mock Orange.
- Tamarix Amurensis**—A pretty medium sized shrub with feathery foliage and pink plume-like blossoms. Very fragrant.
- Weigela Floribunda**—A medium sized bush with red bell-shaped blossoms.
- Weigela Rosea**—The hardiest weigela. Pretty pink blossoms. All weigelas do best if planted in a sheltered location.

Peonies

We have a very fine collection of this noble flower, and invite your especial attention to our very low prices on good, strong roots of the following named sorts at 35c each; \$3.50 per 10; \$25.00 per 100.

- American Beauty**—Just like the American Beauty Rose, with delightful fragrance.
- Crown of Gold**—A very rare and new variety. Pearly white with golden center, splashed with red.
- Candidissima**—Beautiful sweet scented, primrose-yellow.
- Festiva Maxima**—The best white, charming, waxy, center splashed red.
- Golden Harvest**—Fine yellow, blush guard petals.
- L’Ecletante**—Bright red, free blooming. Very early.
- La Esperance**—Early, delicate pink, sweet scented.
- Mme. Calot**—Salmon-pink, sulphur tints in the collar. Early.
- Rachel**—Dark purple, very double, one of the finest.
- Special Offer:**—Five Peonies. Our selection from this list. Postpaid for \$1.00. One each red, purple, yellow, salmon and cream.
